To Whom It may Concern

A BIG thank you to my Mentors.

The life of an entrepreneur is a lonely path, one goes through challenges, were you constantly doubt yourself, over analyze your choices, to criticizing yourself, never knowing if your good enough, or if you will make a success out of your business ventures. We always look for assistance, a helping hand, someone to guide us on the path we have chosen,

I was going through such with a business idea that was dormant for nearly two years, I met up with Dave Romero, former Investure/Caban Investment Members through an entrepreneur competition. For over 8 months I learned a lot from the guys at Investure, Dave from Caban Investments to a point I was able to draft and fine tune my business idea which was finally Launched on the 15th of December 2014,

It's been nearly a year now and Vizion Consulting (www.vizionc.com) has grown tremendously. We started with only an idea and no funding, and we have expanded and own equity shares in 3 companies in different fields, with two major clients in less than a year. All of this would have taken time if it was not through Caban Investments and Dave Romero for providing me with an opportunity to learn and finally fine tune my skills to launch my business.

A Special Thanks to each and every member of Caban Investment/Investure and Dave Romero.

Regards,

Mohale Mangena (CEO and Founder of Vizion Consulting)
